

The Journal of Applied Science
วารสารวิทยาศาสตร์ประยุกต์
ISSN 1513-7805 Printed in Thailand

Vol. 16 Special issue: Y-Z [2017]
doi: 10.14416/j.appsci.2017.01.00X

Research Article

English title

Name of author(s) ^{1*}

¹Affiliation

*E-mail: XXX@YYY.ZZZ

Abstract

Abstract should have only one paragraph and not exceed 20 lines.

Keywords: abstract, language, length

Introduction

The total length of the paper should not exceed 6 A4 pages.

Materials and methods (or Methods)

Start typing materials and method here.

Results (or Results and discussion)

Start typing results here.

Discussion

Start typing discussion here.

Conclusion

Start typing conclusion here.

Acknowledgement(s) (if necessary)

The editorial board would like to thank author(s) for your contribution to Journal of Applied Science.
