

CHEMICAL SOCIETY OF THAILAND AWARDS 2016

CST Distinguished Chemist Award 2016 (Analytical Chemistry)

Prof. Dr. Orawan Chailapakul

Department of Chemistry, Chulalongkorn University

Topic: Innovative analytical methods for the applications in food safety, clinical diagnosis and environmental monitoring

Presentation Code: PL-6

Date, Time, Place: FRI 3rd, 17:30-18:00, Plenary hall

CST Distinguished Young Chemist Award 2016 (Inorganic Chemistry)

Assoc. Prof. Dr. Vuthichai Ervithayasuporn

Department of Chemistry, Mahidol University

Topic: Cage-like silsesquioxanes designed as a catalytic support

Presentation Code: IN-I-009

Date, Time, Place: FRI 3rd, 15:15-15:45, BB-207

CST Award for Distinguished Contribution to Economic Advancement 2016

Prof. Dr. Sanong Ekgasit

Department of Chemistry, Chulalongkorn University

Topic: Functional nanostructures for highly sensitive surface enhance Raman spectroscopy

Presentation Code: AN-I-005

Date, Time, Place: THU 2nd, 15:00-15:30, BB-401

CST Award for Distinguished Contribution to Chemical Education 2016

Prof. Dr. Supawan Tantayanon

Department of Chemistry, Chulalongkorn University

Topic: Small scale chemistry: Beautiful and powerful

Presentation Code: PL-5

Date, Time, Place: FRI 3rd, 17:00-17:30, Plenary hall

Wiley-CST Award for Contribution to Green Chemistry 2016

Asst. Prof. Dr. Patchanita Thamyongkit

Department of Chemistry, Chulalongkorn University

Topic: Synthesis and systematic investigation of porphyrinic photosensitizers for optoelectronic applications

Presentation Code: OR-I-008

Date, Time, Place: FRI 3rd, 15:15-15:45, BB-202

Merck-CST Distinguished Dissertation Award 2016

Dr. Harnchana Gatemala

Department of Chemistry, Chulalongkorn University

Topic: Synthesis and applications of morphologically controlled silver micro/nanostructures

Presentation Code: MS-I-010

Date, Time, Place: FRI 3rd, 15:15-15:45, BB-406

DOW-CST Award for Distinguished Secondary School Teacher in Science 2016

Ms. Saranrom Yingsuk

Prachinradsadornbamrung School
