

Persistent Organic Pollutants Monitoring and Management in Asia (UNU)

Session UNU1

Room# BB 212

Date Feb 2, 2017

Time 14:30-16:00

Conductor: Prof. Mario Tabucanon

Co-conductor: Prof. Hyeon-Seo Cho

Time	Code	Presenter	Title
14:30-14:40	UNU-I-001	Dr. Kazuhiko Takemoto	Towards a sustainable global future- Strategic approach of the United Nations University Institute for the advanced study of sustainability (UNU-IAS)
14:40-15.50	UNU-I-002	Prof. Dr. Masatoshi Morita	Overview of the environment monitoring and governance in the Asian Coastal Hydrosphere Project
14:50-15:00	UNU-I-003	Prof. Dr. Mario Tabucanon	Science-Policy interface for implementing the 2030 Agenda for sustainable development and related international sustainability processes: The case of the Persistent Organic Pollutants Monitoring and Management in Asia Project
15:00-15:10	UNU-I-004	Prof. Dr. Yasuyuki Shibata	UNU-Shimadzu program and Global Monitoring Plan (GMP) under the Stockholm Convention
15:10-15:20	UNU-O-001	Dr. Tetsuo Iida	Rapid analytical method for perfluorinated compounds in bottom sediments and biota using LC/MS/MS
15:20-15:30	UNU-O-002	Dr. Jing Guo	Perfluorinated compounds in a coastal industrial area of Ningbo, China
15:30-15:40	UNU-O-003	Prof. Babu Rajendran Ramaswamy	Perfluorinated compounds (PFCs) in Indian rivers and human health risk assessment
15:40-16:00	Q&A session		

Session UNU2

Room# BB 212

Date Feb 2, 2017

Time 16:15-18:00

Conductor: Prof. Yasuyuki Shibata

Co-conductor: Prof. Masatoshi Morita

Time	Code	Presenter	Title
16:15-16:25	UNU-O-005	Prof. Hyeon-Seo Cho	Distribution of perfluoroalkyl substances (PFASs) in waters, sediment and biota in Korea
16:25-16:35	UNU-O-006	Prof. Emmy Dayana Ahmad	Monitoring of Perfluorinated chemicals (PFCs) in Selangor and Langat River Basin, Malaysia
16:35-16:45	UNU-O-007	Dr. Saiqa Imran	Monitoring of perfluorinated compounds (PFCs) in surface water bodies of Pakistan
16:45-16:55	UNU-O-008	Dr. Charita S. Kwan	Initial assessment of PFCs inputs in Manila Bay and Laguna Lake, Philippines
16:55-17:05	UNU-O-009	Prof. Hian Kee Lee	Monitoring of perfluorinated compounds (PFCs) in Singapore environmental waters
17:05-17:15	UNU-O-010	Prof. Ruchaya Boonyatumanond	Monitoring of perfluorinated compounds (PFCs) in surface water, sediment and biota samples in the environment of Thailand
17:15-17:25	UNU-O-011	Prof. Duong Hong Anh	Perfluorinated compounds in surface water, sediment and fish from two large lakes in Hanoi, Vietnam
17:25-17:35	UNU-O-004	Prof. Sri Juari Santosa	Review on the current status of POPs in Indonesia
17:35-18:00			Q&A session
